Job Summary

The Town of Merrimack Wastewater Division of Public Works is seeking to fill a **Mechanic II** position. The Mechanic II performs highly skilled work at the master level in the maintenance and repair of a wide variety of complex mechanical machinery and equipment. Mechanic II works under the supervision of Maintenance Manager and Assistant Maintenance Manager in the Wastewater Division. Employees in this class perform highly skilled tasks in the preventive maintenance and repair of pumps, pneumatic controls, compressors, electric motors, and valves. Mechanic II supervises work for other mechanics and/or operators as the need arises.

Normal work hours are Sunday through Thursday, or Tuesday through Saturday, 7am to 3pm. **The Town currently pays 100% of the health, life, and short-term disability insurance premiums.** Includes paid vacation, sick, & personal leave, and participation in the NH Retirement System.

Minimum qualifications: HS Diploma or GED, along with 3 years of experience in the operation and maintenance of heavy-duty equipment. Valid CDL-B with Air Brakes and Tank endorsements preferred.

The successful candidate will undergo a complete background check including reference checks, criminal and driving record checks, and if CDL license, pre-employment drug & alcohol testing (CDL) prior to final offer of employment.
